*0 of 0 people found the following review helpful. He likes this one even better!By WeezieThe product was as expected. I already had one book by the same name for my grandson, but without the sound feature. He likes this one even better!1 of 1 people found the following review helpful. The Green TractorBy vmkelley39My grandson loves this book and has it read to him every night before he goes to sleep so I say money well spent.*
